CONTEST FOR WRITERS LIVING IN KANSAS

Over \$1,000 IN PRIZES

There are countless stories Kansans have to tell, and we are searching for Kansas writers who are willing to share them. The Kansas Voices Writing Contest was created to give novice Kansas writers an opportunity to tell their stories or pen their poetry, have credentialed reviewers evaluate them, and perhaps get that extra encouragement that their artwork has merit. Prizes are awarded for top entries in adult poetry, adult prose, youth poetry and youth prose. Also given are several honorable mention recognitions and top adult category prizes.
