2026 SUMMER GUIDE

Calling All Young Artists!

DIVE into a
WORLD of
CREATIVITY
this summer with our
art and craft classes
designed just for kids!

These classes aren't just about making art; they're about unlocking your imagination and exploring endless possibilities.

Get ready to roll up your sleeves and dive into a hands-on experience like no other. From painting to sculpting, each activity is a chance to discover new materials and techniques while honing your fine motor skills and cognitive abilities.

But the benefits don't stop there! Art is more than just pretty pictures: it's a powerful tool for expressing emotions and boosting mental well-being. Whether you're creating a masterpiece or crafting a heartfelt gift, art gives you a sense of pride and accomplishment that can't be matched.

And hey, did we mention that art also teaches you to think outside the box and tackle challenges with creativity and resilience? That's right! Our classes are like boot camp for your brain, empowering you to become a confident problem-solver and lifelong learner.

So what are you waiting for? Join us this summer and unleash your inner artist!
